

UNC Variation Request

0680S - UNC Changes as a Consequence of 'no deal' United Kingdom Exit from the European Union

Date: 24 October 2019

The Proposer, National Grid NTS, requests a variation to this modification, pursuant to UNC Modification Rules Section 6.5.1(c) of the UNC.

Reason for Variation

To remove references to 29 March 2019 (as 'Exit Day') and replace with a more generic "time and date specified by the UK government" which will future proof the Proposal in terms of any further deferrals to the date of UK exit from the EU (without a Withdrawal Agreement).

Nature of Variation

References to 29 March 2019 (as 'Exit Day') have been replaced with "time and date specified by the UK government"

Proposer's Representative
