

**DWG – Modification 0825 – response to action 0411**

0411	02/11/22	2.1.1	CDSP and DNs to provide a combined response to Panel Question: <i>2.1.1. Workgroup to consider the financial arrangements associated with Modification 0651, any existing funding provisions and commitments, and the treatment of them in the event that Modification 0825 is approved</i>	CDSP and DNs	November 2022	<b>Response to 0411</b> - If Modification 0825 is approved and the retrospective functionality (due to be delivered under Modification 0651), is no longer required, the funds held by Xoserve for this purpose will be returned to the funding Transporters (89% DNOs and 11% National Grid NTS), and will therefore subsequently be factored into future transportation charges calculations.
