

Capacity Methodologies Review

Nicola Lond

Transmission Workgroup – June 2024

Overview

There are 5 **Capacity Methodology Statements** for review by April 2025:

Methodology	Last published date
ECR – Entry Capacity Release	20/04/23
ExCR – Exit Capacity Release	10/06/22 – currently with ofgem
ECS – Entry Capacity Substitution	20/04/23
ExCS – Exit Capacity Substitution and revision	20/04/23
ECTT – Entry Capacity Trade & Transfer	20/04/23

Scope:

- Particular Focus on feedback on current process to be considered in ECR/ExCR.
- Scope is currently under development
- Engagement on options will be required
 - Updates via Transmission workgroup
- If you would like to highlight any particular feedback regarding the methodologies to be considered in the Scope please contact Nicola.j.lond@nationalgas.com asap.
