

EXPLANATORY TABLE

MODIFICATION 0736

CLARIFICATORY CHANGE TO THE AQ AMENDMENT PROCESS WITHIN TPD G2.3

Reference	Explanation
Transportation Principal Document	
Section G – Supply Points	
2.3 Annual Quantity	
2.3.24	A User may only submit an Annual Quantity reduction request based on the eligible cause referred to in paragraph 2.3.20(c) provided (in addition to satisfying the 3 month window rule) the User has submitted a notification to the CDSP under paragraph 2.3.30 and the Existing Registered User prior to the Supply Point Registration Date is neither the User itself or a 25% Affiliate.
2.3.25	The CDSP will reject a request under paragraph 2.3.24 if any of the conditions in that paragraph are not satisfied.
2.3.27	The application of paragraph 2.3.27 is subject to the rule in paragraph 2.3.31.
2.3.30	A User may submit a notification confirming the identity of any Shipper User which is a 25% Affiliate (or confirming it has no such 25% Affiliates) in order to meet the condition in paragraph 2.3.24(b); and where it submits a notification it should update the notification if the position regarding 25% Affiliates changes.

2.3.31	The AQ reduction in accordance with paragraph 2.3.27 will be reversed in the event it is later determined that the Existing Registered User was a 25% Affiliate and this information was not disclosed to the CDSP at the time of the request.
