2025-2028 Business Plan

Mod 0841 – 3rd Party Assurance

- A change proposal (XRN5795) has been raised to access funding from the 24/25 General Change Budget
- <https://www.xoserve.com/change/customer-change-register/xrn-5795-business-plan-information-rules-independent-assurance/>
- This is to fund a 3rd party provider as per the ROM we provided as part of the mod process
- We are in the process of procuring a suitably independent vendor, and need to secure funding before appointing - this is required now in order to onboard a vendor in time to assess Draft 1 of BP25
- We request that ChMC approve £70k

Timeline

- We are adopting an iterative approach to assurance, with the vendor being asked to assess each iteration of the plan
