Latest News

2024 Focus Group

- Meeting occurred on the 24th June 2024 for API Market Trials participants to discuss the API Market Trials. All previous Focus Group material (presentation, demonstrations of the User Interface and Q&As) is available on the Gemini Sustain Plus website <https://www.xoserve.com/change/investment-change/gemini-changes-overview/gemini-sustain-plus/>

July 2024 Focus Group

- The next Focus Group will be held on **Monday 22nd July 2024**. Agenda to be confirmed closer to the time.

Programme Next Steps

- API Market Trials phase has commenced and received positive engagement from the industry and achieved high success rates.
 - API's **17th June – 12th July 2024 – On track and in progress**
 - Business processes/online screens commence **5th – 30th August 2024**
- Market Trials API Support available (via Weekly Teams Call and book a slot [121 Technical Surgeries](#).)
- There is a video available showing expected results when connecting to the Market Trials and Production Environments: [link](#)
- New Gemini User IDs have been circulated to all Gemini Users. If the link expires please contact Correla via the box account.
- All Gemini users will receive an email, to join the Learning Management Training System (LMS): will be shared early July
- If you have any queries on the above areas, please contact the programme via Geminiengagement@correla.com
