DSR Update

- Following implementation of UNC Mod 0866, NGT is now preparing for the annual DSR options tender
- A pre-communication will be issued in mid-July, followed by tender launch end of July
- NGT will be hosting a DSR webinar for consumers and shippers on Monday 24th June 2024 between 1300 and 1500
- If you wish to join this call, please email Philip.Hobbins@nationalgas.com for the Outlook invitation
- Also, a reminder that consultations on the DSR Consumer Contract and DSR Methodology close at 1700 on Monday 17 June 2024
