AOB

- KVI Survey for April - June 2023 is open until Monday 24th July for submitting feedback, also linked [here](#).
- The Committee were informed that from July Change Packs onwards, a URL will no longer be required to submit representations. Customers are advised that simply accessing the Change Pack page on the Xoserve website will already have the function to submit representations.

Incident CSS P1 Missing Secure Active Messages Update

PRB0040672 / XCE2006: Missing Secured Active Messages:

An update was provided on latest ongoing P1 DCC switching incident which has impacted and prevented 57k gas registrations going live to date, with a potential to impact a further 30-50k future dated Registrations. DCC are yet to understand the magnitude of the incident and define a resolution plan. Customers recognised the efforts and support provided by Xoserve on this matter.
